“Hatred is a easy thing everyone can do this , it doesn't take courage to hate someone , you can hate anyone just by their appearance ,like you hate that stranger in a bus who is listing music while putting his earphones , or you can hate the colour of someone bag or his brown hair, your hate is genuine just like hemlock and sharp as eagle eye,
but above all hate is a easy thing love takes courage, it's difficult to love someone without any expectations, but some uncommon humans can do this,
They are the one who will carry the light and bloom the flowers of love .”
